## The YWCA Aquatics Philosophy

The Aquatics Program of the YWCA is dedicated to providing a fun and creative atmosphere for the development of swimming skills for all. We advocate the importance of water safety and are committed to the process of continued improvement and training of our lifeguards, swim instructors, and community. The importance of swimming is invaluable, serves as a lifetime skill and as a healthy recreational activity.

The following information will outline the YWCA offerings, guidelines, and protocols to ensure a safe, fun, and valuable experience. Thank you for the opportunity to serve you and your family!

## **Group Swim Lessons Expectations & YWCA Policies:**

**Arrival Time:** It is important for participants to be on the pool deck and ready five minutes before class start. Participants should use the restroom before class begins and wait on the bleachers until instructed by a YWCA team member.

**Swimming Attire and Protection:** For those with long hair, we recommend wearing hair tied back or covered by a swim cap during the program. Participants should bring a dry towel for use after the being in the water. All clothing must be suitable for swimwear, such as Lycra, Spandex or nylon. T-shirts are not permitted. Children who are not potty-trained are required to wear swim diapers and rubber pants. Floatation devices, including child arm bands, are not permitted.

**YWCA Disciplinary Action:** Any disciplinary problems during the program should be addressed by the Instructor or Coach. Positive reinforcement to encourage appropriate class behavior will include removing the child from the program (i.e., "time out" for a brief period) and may include addressing the problem with the parent and/or aquatics manager.

### **Cancellation Policy:**

- All cancellations must be submitted in writing: [aquatics@ywcacentralcarolinas.org](mailto:aquatics@ywcacentralcarolinas.org)
- Cancellations received with at least 7 days advanced notice will receive a full refund.
- Cancellations received with less than 7 days advanced notice, but more than 24 hour notice will receive a 50% refund.
- Any cancellations received with less than 24 hour notice will receive no refund.

**Student Absence Policy:** Classes and/or practices are not made up and refunds are not issued when a student misses a class or a practice; however, if the YWCA cancels a class/practice, we will make it up at a time to be announced.

**Inclement Weather Policy:** Our programs are conducted regardless of weather, except in cases of pool closure due to thunderstorms. In the event of a thunderstorm or other pool closures, the swim program will be cancelled for the day.

Swim lessons will be made up on the next available Monday/Wednesday or Tuesday/Thursday or Saturday at the regular lesson time. If a lesson is cancelled due to unforeseen circumstances (i.e., lightening, pool closure, etc.), and rescheduling is not feasible, refunds or credits will be issued to put towards another session.

Swim Clinic Practices and Orange Crush practices are not rescheduled due to inclement weather or if a swimmer misses a practice.

**Medical Concerns:** If your child has a medical condition, such as, but not limited to, allergies, seizures, or epilepsy, a medical clearance form from your physician is required and must be submitted to the Aquatics Manager prior to the first day of class. In an emergency, knowledge of medical conditions will aid our staff and emergency personnel in providing care.

**Pool Deck Policy:** During a YWCA swim program, all parents and family not participating in the program must proceed to the observation bleachers. Coaching from the sidelines is not permitted as it may impact the success of the program. Flip flops, rubber soled shoes, and bare feet are acceptable on the pool deck only. Water and sports drinks permitted. No glass bottles, food, candy, or gum.

**Bleacher Policy:** Food and drinks are welcome. All members and guests required to clean up personal belongings including trash.

## YWCA Pool Rules

### YWCA Pool Rules

1. Patrons are only permitted to use the pool when it is officially guarded by the lifeguard(s) on duty.
2. A regulation swimsuit and full body shower are required before entering the swimming pool.
3. The following are prohibited in the swimming pool area: persons under the influence of alcohol or drugs, animals and pets, food and drinks, smoking, gum, glass containers, running, pushing, pulling, intentional splashing, towel snapping and anything the lifeguard(s) deem a safety hazard
4. The following are prohibited in the swimming pool: open wounds or rashes, cut-off jeans, diving, hanging on the lane dividers, dunking, rough play, riding on another swimmer's shoulders, and personal conduct that endangers the safety of one's self and others.
5. Children under the age of thirteen (13) must be accompanied by an adult.
6. Patrons unable to demonstrate to the lifeguard(s) their ability to swim are not permitted in the deep end of the swimming pool. The lifeguard(s) reserve the right to have a person pass a swimming test to determine their ability.
7. Anyone pretending to be drowning will be asked to leave the swimming pool area.
8. Equipment used for lap swimming, swimming lessons, and water fitness classes are not to be used for general recreational use unless permission is granted by the lifeguard(s) on duty.
9. Lanes are reserved for persons swimming laps. Unless you are swimming laps, please stay out of the lap lanes.
10. In the case of thunder and lightning in the area, the lifeguard(s) will clear the swimming pool and continue to monitor the weather. Thirty (30) minute time intervals will be established for each clap of thunder or bolt of lightning. Should either occur during the thirty minutes, the interval is restarted with each clap or bolt until the weather has cleared the area.
11. Adults should not swim alone.
12. Children should not use the swimming pool without adult supervision.
13. Only U.S. Coast Guard approved devices or solid flotation blocks are approved for use by the YWCA Central Carolinas.
14. All children who are not potty trained must wear swim diapers and plastic training pants. Regular diapers are not allowed in the swimming pool. Please use locker rooms for changing and dressing children.

## Frequently Asked Questions:

- **What is the instructor/student ratio?**  
Excluding Water Baby, the instructor student ratio is 1:6. If the group lesson is full private lessons are available.
- **What should I expect the first day of class?** The first day of class is utilized for participant skill evaluation and class assignment. Participants will be asked to perform specific skills. Participants may be reassigned to another class level if necessary. Please note that class levels may be combined when numbers are small. Placement may vary by skill level, or other factors at the discretion of the instructor and Aquatics Manager. Group lessons do not guarantee pairing with a specific instructor.
- **What if the instructor is absent?** In the event an instructor is unable to attend a lesson, another YWCA Swim Instructor will teach the class. YWCA does not provide refunds in the event a class is led by an alternate instructor.
- **What if a student desires to work with a specific instructor?** If a student desires to work with a specific instructor, private lessons are available.
- **How many lessons will it take for my child to swim?** Learning skills varies among children. Readiness is influenced by physical development, previous experiences, home environment, parental attitudes and individual preferences. For most skills, there are simple pre-requisites; activities and lead-ups that can prepare the child to perform those skills. It may take many lessons before a child can swim independently. Year round practice, regular (supervised) exposure to water and positive encouragement are ways parents can help their child to progress. To make sure your child does learn to swim well, be sure they complete each of the six levels. The best way to protect your children in and around the water is to teach them how to swim. Our experienced swim lesson instructors advocate water safety while helping children improve their form and ability.
- **Will I have an opportunity to share feedback to the YWCA?** Parents and Guardians are invited to complete a survey/evaluation online. These surveys are available by going to <https://www.surveymonkey.com/r/5DG5QWX> or the Aquatics Manager can send you the link by request. Feedback is utilized to further elevate the program.
- **How will the student know which level to register for after completing the current session?** Water Baby and Swim Levels 1 through 6 will receive feedback from the instructor going over progress and areas for improvement. The instructor will explain when a student is ready to progress to the next level. (Lesson promotion requirements are outlined with the lesson descriptions).
- **How can I best support my child in learning how to swim?** Be supportive of your children's efforts in our swim program. Learning to swim can be challenging! Remember that fear is learned. If you are hesitant or fearful for your child in the water, your child will generally acquire a fearful attitude. Your child's progress and enjoyment can be enhanced when you and your child are enthusiastic about swimming.

## Group Swim Lesson – Water Baby

### **Water Baby: Parent and Child Swimming Lessons Ages 6 months to 3 years**

**Prerequisites:** No skill prerequisites, Child must be at least 6 months old, Parent must accompany child to each class

**Purpose:** Developed for children 6 months to 3 years, Parent and Child Aquatics helps young children get ready to swim by emphasizing fun in the water. Provide safety information for parents and teach techniques parents can use to orient their children to the water. Parents and children participate in several guided practice sessions that help kids learn elementary swimming skills. Water Baby participant learns to:

- Feel comfortable in the water
- Enter and exit the water safely
- bubble blowing
- front kicking
- back floating
- underwater exploration
- swimming to the side of the pool
- Explore breath control and submerging
- Face-to-face positions
- Back-to-chest position
- Side-to-side position
- Leg action—alternating or simultaneous movements
- Arm action—alternating or simultaneous movements
- Combined arm and leg actions on front with breathing with assistance
- Combined arm and leg actions on back
- Water safety
- Play safely in the water.

Parents, you also learn:

- How to properly supervise children and maintain safe behavior in, on and around the water
- How to hold and support your child in the water
- How to select and fit a U.S. Coast Guard-approved life jacket for your child
- Valuable water safety information to make your family safer in, on and around the water

How are Parent and Child participants evaluated? Parent and Child Aquatics is based on participation. There are no skill evaluations here—just lots of positive reinforcement from instructors and parents. Your child is encouraged to participate in all activities. However, because basic skills are introduced, then built upon. For children who are ready to move on to the next level, completion cards will be presented.
