

Exciting News! We're Moving to Brightwheel

YWCA Youth Programs Afterschool is now using **Brightwheel**, a secure and user-friendly online platform, to manage all registrations and student information. Starting this year, **all parents must create a Brightwheel account** in order to register new or returning students for our programs. Brightwheel allows families to easily complete enrollment, manage payments, and stay connected with program updates—all in one place.

Program Fees & Sliding Scale

We remain committed to making high-quality afterschool programming accessible to all families. Our new fee structure includes a **sliding scale** based on household income (using the Area Median Income matrix for Mecklenburg and Union Counties).

% of Area Median Income (AMI) Weekly Fee per Child

20% of Income	\$10
30% of Income	\$15
40% of Income	\$20
50% of Income	\$25
60% of Income	\$30
70% of Income	\$35
80% of Income	\$40

Families will be asked to provide income verification during the registration process in order to qualify for sliding scale rates.

We're excited to make enrollment simpler and more efficient while continuing to support our families with flexible payment options.
