<b>Cardio Strength</b>	Utilize free weights, balls, and your own body weight for a full body cardio and strength workout. Level of intensity will vary depending on each member's level of energy, effort and weight choice during the workout. All levels welcome.		BODYPUMP <sup>30</sup> is an express barbell workout for everyone. In 30 minutes, you'll focus on either upper or lower body.
<b>Cycle - Circuit</b>	This class is a fusion cardio & strength workout using a stationary bike and weighted floor exercises. You'll do a cardio workout on the bike then transition off the bike to complete a circuit of weighted strength exercises. All levels welcome.		BODYBALANCE™ is a new yoga class for anyone and everyone. It uses a range of movements and motion set to music that will improve your mind, your body and your life leaving you feeling calm and centered.
<b>Cycle - Sweat</b>	This class is a medium to high intensity cardio workout set on a specialized stationary bike. Ride along to the Instructor's choice of upbeat music! You control your own resistance and intensity.		BODYCOMBAT™ is a high-energy martial arts-inspired workout. You'll learn how to punch, kick and strike your way to superior fitness and strength.
<b>Cardio Dance</b>	A fun, high-energy fitness line dance class where music meets movement! All ages and all levels are welcome—come sweat, vibe, and learn easy line dances while getting fit!		RPM™ is a group indoor cycling workout where you control the intensity. It's fun, low impact and you can burn up to 500 calories a session. With great music pumping and the group spinning as one, your instructor takes you on a journey of hill climbs, sprints and flat riding.
<b>Circuit HIIT</b>	(High Intensity Interval Training) Full body workout with mix of strength and cardio exercises using equipment and body weight. Low impact exercises modifications available. All levels welcome.		BODYATTACK™ is a high-energy fitness class with moves that cater for total beginners to total addicts. We combine athletic movements like running, lunging and jumping with strength exercises such as push-ups and squats. A LES MILLS™ instructor will pump out energizing tunes and lead you through the workout – burning up to 555 calories and leaving you with a sense of achievement.
<b>Move and Groove</b>	A low-intensity chair and/or standing class focusing on strength, balance and flexibility. Great for those suffering with joint issues or have balance challenges. Beginner friendly.		BODYPUMP™ is the original barbell workout for absolutely everyone. Using light to moderate weights with lots of repetition (reps) BODYPUMP™ gives you a total body workout that burns calories, strengthens and tones.
<b>Pilates on the Mat</b>	Low-impact mat exercises that focus on core strength, flexibility and long, lean muscles in the whole body. Level of intensity will vary depending on each member's level of energy and effort during the workout.		
<b>Yoga I</b>	Classes go through traditional yoga postures and stretches on the mat.		
<b>Yoga I/II</b>	A slow flow style yoga, combines movements with some traditional yoga postures.		
<b>Yoga II/III</b>	An invigorating practice with traditional pose holds comprised of intention-setting, focused themes, posture demos, sequence repetition and simple		
<b>Chair Yoga</b>	Chair yoga is a gentle form of yoga that can be done sitting on a chair or standing on the ground while using the chair for support. Benefits of chair yoga include improved flexibility, better concentration and increased strength.
