

YWCA Engagement Opportunities

Offsite Engagement:

Create Kind Kits for students, families and women in our program to ensure a smooth transition into new chapters in their lives. Kind Kits are the perfect opportunity to support YWCA from home or at your organization's offices. Volunteers can create Welcome Home Kits for transitional housing participants or Reading Ready Kits for our youth programs. Please contact Jamila Green (jgreen@ywcacentralcarolinas.org) for a list of approved Welcome Home Kit or Reading Ready items.

*Individual Volunteer Opportunities:

Support our Racial Justice + Advocacy department as a Racial Justice Activator, assisting event attendees in guided discussions following a screening or community discussion while creating an inclusive and safe space.
