YWCA Winter Engagement Opportunities

In-Kind Donation Drives

- **Winter at the YW Donation Drive (Families Together + Youth Programs)**
  - Holiday season is here! YWCA is organizing a shopping experience that will allow parents to pick toys for each of their amazing YWCA students along with household items for themselves via an Amazon wish list. Items for this drive would need to be delivered to YWCA by Friday, November 27th .
  - Those who participate in the donation drive will have the opportunity to volunteer during the Winter at the YW shopping experience.

- **A Cover of Comfort: A Bedding Drive for Transitional Housing**
  - This holiday season, YWCA Central Carolinas invites our community and corporate partners to help bring comfort and care to individuals and families in transitional housing. Through our A Cover of Comfort holiday bedding drive, we're collecting pillows and mattress protectors to help create clean, comfortable and welcoming living spaces for the people we serve.

To participate in either of these drives, please check out YWCA's SHOP page here.

If you have any questions, please contact Jamila A. Green (Community Engagement Manager) at jgreen@ywcacentralcarolinas.org.
